

Crooked River Rug Hookers - Membership Form

The Crooked River Rug Hookers is a Chapter of the Association of Traditional Hooking Artists (ATHA). The purpose of this group is to appreciate and advance the art of rug hooking through fellowship, shared knowledge, education, public art demonstrations and a dedicated mission to instruct and foster new rug hookers. All hooking artists, of any style or level of skill, are welcome to join. We encourage creativity, individuality, and the free exchange of ideas. We offer educational activities to promote interest in and enhance the quality of rug hooking. All CRRH members are required to be members of ATHA (National).

“ATHA stands for the combined talents, creative energy and resources of over 4,000 fiber artists across the globe; and exists to help people express themselves through fiber art. Let ATHA start you on your personal creative journey today. ATHA leads the way in providing resources across the globe for everyone who has an interest in rug hooking, whether you just pulled your first loop or have been rug hooking for years. We genuinely believe the creativity of our members with their broad and diverse experience will inspire you. This creative energy is what keeps ATHA members abreast of the latest ideas and resources available for this art form. This large pool of resources gives everyone the tools they need to be a part of this grand tradition of self-expression.” *Courtesy of www.atharugs.com*
